P&A franchisees make a difference in people's lives

Most franchisees don't have hospitality or recruiting backgrounds.

They are people who:

- ➔ Care about "giving back" and impacting people's lives.
- ➔ Are outgoing and like to connect with people.
- ➔ Are looking for something that fulfills their lifestyle, equity, wealth, and income goals.
- ➔ Want to create a sustainable revenue stream in an established industry.

We are career coaches helping people get better jobs, more income, great benefits, career opportunities, and quality of life.

We've been in business for 25+ years and have over 150 franchisees in the U.S. and Canada. We have a proven system that works!

Fast track to a large business with your own clients and employees
NO LIMITS

Start as home-based and build an office at **YOUR OWN PACE**

"I wanted to build a legacy for my family. It was important that I could scale my business to any size. I know Patrice had 40 recruiters that worked from their homes all over the country. That's my goal."

REACH FOR IT!

WORK LIFE BALANCE

WORK FROM ANYWHERE

Never again sacrifice the important things in life. Moments you can't recapture. Family vacations, caring for loved ones, children's sports games. No more apologies.

"For me work life balance meant being able to work my own hours. The restaurant industry is amazing because they are open all the time. I can work at midnight and talk to people."

LOW START-UP COSTS

- ➔ NO employees you have to hire - IT'S YOUR CHOICE
- ➔ NO inventory to buy
- ➔ NO lease to sign
- ➔ NO equipment to purchase

CASH FLOW

Patrice & Associates is FASTER to cash flow than any other franchise model available!

We have clients!

You are in business from Day 1!

"I was so tired of corporate America and making money for everyone but myself. Last year we took our first family vacation...to Italy!"

RECESSION RESISTANT

Food in America is here to stay!

GOING OUT TO EAT IS PART OF AMERICA'S CULTURE

People eat out for any and every reason—because they're happy or sad, because it's a birthday or anniversary, because it's lunch time or Saturday night, because it's happy hour at a sports bar.

There are over 1 million restaurants and 81,000 new ones that opened last year.

THE RECRUITING OPPORTUNITIES ARE ENDLESS

We've customized our training to help people transition from employee to business owner.

- ➔ Self-study virtual pre-training
- ➔ 2 weeks training at IHQ in Maryland
- ➔ 6 weeks twice weekly class calls
- ➔ 90 days daily mentorship with a coach
- ➔ Weekly strategy sessions

Most of our franchisees are first time business owners, have never been in hospitality or executive search and it's OK! We'll give you the tools you need to succeed.
